### REASONS FOR ALLOWANCE

1. **Claims 1-20 are allowed.** The following is an examiner's statement of reasons for allowance: **(1)** Terminal Disclaimer filed to withdraw previous double patenting rejection **(2) As to claim 1**, the prior art of record does not teach nor render obvious the overall claimed combination of a lightweight oxygen delivery device with "the securing means being located at the vertex of front portion of rigid arms forming a v-shaped front of the support"; and **as to claim 15**, the prior art of record does not teach nor render obvious the overall claimed combination of a support for an oxygen diffuser with "a means for holding a tube associated with the oxygen diffuser, said means located at the vertex of front portions of rigid arms forming a v-shaped front of the support." Therefore, the invention defined in claims 1-20 is considered novel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
